### A Nightmare

Gives point to the fact that excessive or irregular eating disturbs the digestion. Nightmares or night hags has it's day time correspondence in the undue fullness after eating, with the belchings and sour or bitter rising so often experienced after too hasty or too hearty eating.

Dr. Pierce's Golden Medical Discovery cures dyspepsia and other diseases of the stomach and its allied organs of digestion and nutrition. When these diseases are cured, the whole body shares in the increased strength derived from food properly digested and perfectly assimilated.

"Your 'Golden Medical Discovery' and Dr. Sage's Catarrh Remedy have been of great benefit to me," writes (Prof. Pleasant A. Oliver, of Viola, Fulton Co., Ark. "Before I used the above mentioned remedies my sleep was not sound, digestion and a constant feeling of misery. I now feel like a new man. Any one in need of medical treatment for nasal catarrh could do no better than to take treatment of Dr. R. V. Pierce. I know his medicines are all right in this class of diseases."

Sometimes a dealer tempted by the little more profit paid on the sale of less meritorious medicines will offer the customer a substitute as being "just as good" as the "Discovery." It is better for him because it pays better, but it is not as good for you, if you want the medicine that has cured others, and which you believe will cure you. Dr. Pierce's Pleasant Pellets cleanse the clogged system from accumulated impurities.

### Nasal Catarrh

In all its stages there should be cleanliness.

Ely's Cream Balm cleanses, soothes and heals the diseased membrane. It cures catarrh and drives away a cold in the head quickly.

CREAM BALM is placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediately felt. It follows. It cures dryness—does not produce sneezing. Large Size, 50 cents at Druggists or by mail. Trial Size, 10 cents by mail. ELY BROTHERS, 66 Warren Street, New York.

Can't you eat? O heres can. Latest improvements in Teeth. Our patent suction never falls down.

Call and have a set with the above improvements. Old teeth extracted in situ. "Ely's" and "Ely's" fit, dura comfort perfectly true to nature.

Dr. W. F. HUTCHINSON, Dentist, Corner Prince and Washington Streets, Office Formerly Occupied by Dr. Everett.

FOR OVER SIXTY YEARS AN OLD AND WELL-TRIED REMEDY—Mrs. Winslow's Soothing Syrup has been used for over thirty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for Diarrhoea. It is pleasant to the taste, sold by druggists in every part of the world. Twenty-five cents a bottle. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.

### DUEL ON THE TAPIS.

Capt. F. C. Wilson, former commander of one of the companies of the Savannah Volunteer Guards, one of the most exclusive military organizations of Savannah, and Mr. John Sullivan Schley, also a member of that command, are about to fight a duel on the field of honor with deadly weapons. At least, a challenge has been sent by Mr. Schley and accepted by Capt. Wilson, and unless efforts now about result in preventing the meeting, there is every prospect that it will take place. It was on the trip to Charleston on Thanksgiving Day that the trouble between the gentlemen occurred. They were members of a rifle team that represented the guards in a contest. After the team had won its members were assembled in the lobby of the Hotel Argyle, where an altercation resulted in the latter being struck and knocked down. Regarding himself as unequal to a physical contest with Capt. Wilson, he promptly sought a friend, who conveyed a challenge for a meeting on the field of honor. The challenge was promptly accepted, and Capt. Wilson has the choice of weapons. Great alarm among the friends of the gentlemen has been expressed. Both are dead shots, Captain Wilson especially having a national reputation and possessing more than 100 medals and trophies won at Sea Girt and elsewhere in rifle, revolver, and shotgun competition. Mr. Schley has also represented Savannah at the Sea Girt contests, and at Charleston his score was the highest made. A meeting between such marksmen would, it is feared, prove fatal for one or both if they fired with intent to kill. Three of the most prominent men in Savannah, all retired officers of rank in the State service, constitute a "board of honor" which has insisted upon taking the matter under advisement to see if it may not be amicably adjusted. Thus far each principal has proven obstinate, and it is feared that neither will yield. In such an event it cannot but come to a duel. Both gentlemen are prominent socially. Mr. Schley is a cousin of Admiral Schley and a member of one of the best-known families of Georgia. He is a lawyer. Capt. Wilson is a dentist, with a large practice. No action has yet been taken by the civil authorities looking to the prevention of the impending duel, nor has there been any arrests made on the charge of seeking to fight a duel, though both principals and seconds are amenable to the law.

### TO PREVENT KISSING.

Kissing will be made a misdemeanor in Virginia, punishable with a fine, if a bill offered in the House of Delegates yesterday becomes a law. The unique measure, of which Dr. R. R. Ware, the member from Amherst, who is a physician of good reputation, is the author, is designed to prevent promiscuous kissing, but it might easily be construed to stand as a barrier between husband and wife or even lover and sweetheart. Dr. Ware offered the bill in perfectly good faith and as a health measure. But it will be treated lightly and promises to be the subject of as much jest and ridicule as was the anti-flirting bill introduced in the Senate a session or two ago by Senator Barksdale, who came to be known as "Cupid." In order to enjoy the right to kiss one must prove by his family physician that he has no contagious or infectious disease. The following is the text of the measure:

Whereas kissing has been decided by the medical profession to be a medium by which contagious and infectious diseases are transmitted from one person to another, and whereas the prohibiting of such an offense will be a great preventive to the spreading of such diseases as pulmonary tuberculosis, diphtheria, and many other dangerous diseases, therefore,

Be it enacted by the general assembly of Virginia, that it shall be unlawful for any person to kiss another unless he can prove by his family physician that he has no contagious or infectious disease. The following is the text of the measure:

Whereas kissing has been decided by the medical profession to be a medium by which contagious and infectious diseases are transmitted from one person to another, and whereas the prohibiting of such an offense will be a great preventive to the spreading of such diseases as pulmonary tuberculosis, diphtheria, and many other dangerous diseases, therefore,
